# Rental Catalog

1-800-236-6909

<http://www.avmonline.com>

**AVM** stocks the largest inventory of audio visual rental equipment in Wisconsin.  
*We offer the latest in presentation technology to our business, institution and individual clients.*

*We are proud of the long-term relationships we have established with our customers-- and we are eager to fulfill each and every Audio Visual related request with excellent service, expertise, well-maintained equipment and top quality supplies and materials.*

## **SALES & INSTALLATION**

We are dealers of Audio Visual equipment from manufacturers such as AMX, Anchor, Audio-Technica, Bogen, Da-Lite, Draper, Elmo, Extron, Kodak, Hitachi, Mackie, Marantz, Pioneer, Sanyo, Shure, Telex, Sony, Wilson, Zenith, and others.

AVM designs and assembles hardware packages for unique presentation and production requirements. We also design and install complete boardroom/classroom presentation systems, including LCD data projectors, audio systems, lighting and screen combinations, which can be operated by a computerized touch panel.

As ICIA-certified and factory-trained account managers, our installers and programmers will help you choose A/V components for your needs--in your conference room, place of worship, boardroom, or other venue.

## **RENTAL**

AVM stocks a full array of state-of-the-art products for short-term or long-term rentals. You'll find specific information about our rental products in this catalog.

We will deliver, setup and operate our equipment anywhere--regardless of the size of the project. AVM staff will take all of the worry out of your presentation. We will help you select the appropriate hardware, transport your shows to the location of the event and supply all of the technical support you require.

## **SERVICE**

Our staff of experienced technicians provides fast and accurate service of video equipment including recorders, cameras and monitors. We also repair audio systems, computers, projectors, screens, lights and light controllers, intercoms, etc. We stock replacement parts for most models of players, recorders and projectors.

## **PRODUCTION**

AVM features a fully equipped non-linear, AVID digital video editing suite, location videography, DVD creation, computer presentation production, and multi-media design.

We also provide audio, videotape, and DVD duplication services. We can transfer your old 8mm & 16mm movies, slides, and prints onto videotape and from tape to DVD.
